## What's Going On?

Something we love to see is  
our Residents bringing in  
their friends to work on  
projects or just hang out.

Here you can see Stephanie  
and her friends making use

## A Minute with Moe

The whole crew got into the Valentine's Day spirit this year.

We had poetry readings, entertainment, photos and much much more.

## Where's Larry?

Larry has been helping us collect for the "Purse Project". Check out the Red Brick Emporium for info.

Please call us to  
book a  
personalized tour.

We'd love to show  
you around!
