

LANARK LIFESTYLES NEWSLETTER

July 2020

What's going on?

June was a busy month but one of the highlights was our Father's Day celebration.

We celebrated all our dads with craft beer, entertainment by The Acoustic Duo and dancing! Topped off with an amazing steak dinner.

Where's Larry?

Along with a few of our Residents, Larry has been helping out with golf green upkeep.

A note from Amanda

Our grounds are taking shape!

Considering that this time last year we were still under construction, our landscaping has really come along. Along with our putting green, we also have a bocce court, ladder toss and ring toss.

On any given day, you can find many of our residents outside and enjoying the grounds.

Please call us to book a virtual tour.

We'd love to show you around!
